

Company Secretarial Services for Local Business

Why use Crowe Clark Whitehill's Company Secretarial services?

If you are late filing your Annual Return, your company will be subject to penalties and may be struck off and you could face a criminal charge.

Compliance requirements for the officers of a company are getting more and more onerous. Failure to meet any of the requirements may have major repercussions for the company and you as an individual. We will ensure the filing requirements are met on time.

Crowe Clark Whitehill Company Secretarial offers a full range of services including:

Company Compliance

- Maintenance of records
- Drafting of minutes
- Statutory filing requirements
- Registered office facilities

Company Formations

- Name checks
- Bespoke or off the peg companies

Technical Secretarial Assistance

- Liaison with government bodies
- AGM administration
- Searches
- Health check

Why choose Crowe Clark Whitehill?

Expert knowledge and experience to assist you

We are an integral part of the Crowe Clark Whitehill Audit and Business Team

We work closely with Audit and Tax to ensure the process of change is smooth

We undertake company formations to meet specific needs

We offer an administration solution that frees you to manage your business.

If you are unsure if your company meets the requirements set out under current legislation, Crowe Clark Whitehill will be happy to provide a health check report.
