#### Guidance Notes for the completion of this application form

1. For the classification of aircraft, see Schedule 1 to the Air Navigation (Isle of Man) Order 2007.
2. The maximum number of passengers is required in order to calculate the minimum insurance cover needed to meet the requirements of Regulation (EC) 785/2004 on insurance requirements for air carriers and aircraft operators. This figure does not refer to the maximum number of seats, but to the maximum number of passengers to be carried during the period of insurance.
3. If the aircraft is to be registered in the name of an unincorporated body or more than one individual the full names and addresses of all persons sharing the ownership must be given. In the case of an aircraft chartered by demise, the names and addresses of the charterer should be given. Use a separate sheet if necessary.
4. Please provide the most suitable correspondence address for the distribution of safety material. The address given will be used on the Isle of Man Register of Civil Aircraft, the Certificate of Registration, communications from the Aircraft Registry and for the distribution of safety material. The Isle of Man Register of Civil Aircraft is available to the public on our website ([www.iomaircraftregistry.com](http://www.iomaircraftregistry.com)) and includes the names and addresses of registered owners of aircraft.
5. "Commonwealth citizen" means a British citizen, British Overseas Territories citizen, British Overseas citizen, British subject, British National (Overseas) or a national of a country listed in Schedule 3 to the British Nationality Act 1981.
6. If the aircraft is **NOT** currently insured in compliance with the Regulation, please note that by indicating '**NO**' and signing this form you are confirming that you will not permit the aircraft to be flown unless you have first provided the Aircraft Registry with a Certificate of Insurance or valid evidence of insurance.
7. If the aircraft is insured in compliance with Regulation (EC) 785/2004 a copy of the certificate of insurance must be included with this application or provided before the aircraft is allowed to be flown.
8. The owner or charterer should sign personally; where more than one person is shown as owner or charterer, each person should sign (use a separate sheet if necessary). In the case of a company or other body corporate or undertaking, a director, secretary or other authorised officer should sign, stating the position he holds, and a covering letter should be attached to the application giving the full names of all other authorised officers.
9. The attention of all persons completing and signing this form is drawn to the importance of ensuring that the entries are correct. The making of a false statement for the purpose of procuring the issue of a Certificate of Registration is an offence under the Air Navigation (Isle of Man) Order 2007.
10. Unless the form is fully completed the registration of the aircraft could be delayed.
